Dear Colleagues,

This is the final call for papers for the International Conference of the **14th Congress on Knowledge Management - Theory and Practice (KM-TP-2017 Congress)**, hosted by the **Polish Association for Knowledge Management** and **Faculty of Management, UTP University of Science and Technology in Bydgoszcz**, from 23th to 25th April 2017 in Bydgoszcz, Poland, City Hotel, 3 Maja 6, www.city-hotel.pl

The purpose of the 14th Congress on Knowledge Management is to create the opportunity for academics and researchers worldwide to connect and share their recent findings in all aspects - methodological, conceptual, applied or theoretical - in management fields, regarding new trends and approaches in the context of a knowledge based management.

On behalf of the Organizing Committee, we are pleased to invite you to submit your recent research work to the 14th Congress edition. We welcome submissions in the following topics:

- knowledge management in the organization,
- knowledge management application and tools,
- business intelligence tools and applications,
- engineering of knowledge management systems,
- knowledge management in project, knowledge management in processes analysis, knowledge management in administration,
- knowledge management in education,
- intelligent learning systems,
- decision support systems, integrated management information systems,
- effectiveness of knowledge management systems,
- knowledge management in web-based systems, social and ethical problems in knowledge management.

Submitted papers will be subject to a double-blind review process. All accepted papers will be published in the scientific journal "Studies & Proceedings of Polish Association for Knowledge Management" (online and hardcopy). The previous volumes of the journal can be find here: <http://www.pszw.edu.pl/en/publications>
